A coach and guide will be waiting for you ready to take you on a sightseeing tour of the city. You will begin with a drive to the Little Mermaid. After a short stop here, you will make the short walk along the waterfront to the spectacular Gefion Fountain. From here you will be brought by coach to the royal castle, Amalienborg, where you will arrive just in time for the changing of the guards, which takes place every day at noon. Following, the coach will take you to Nyhavn where your guide will give you an introduction to the picturesque harbor before giving you time on your own for lunch. Your tour will commence after lunch, as you continue with a visit to Rosenborg Castle. This charming castle is located right in the heart of the city and houses the Danish Crown Jewels, which your guide will ensure that you visit. The coach picks you up after your visit and takes you to the parliament building, the Christiansborg Castle, from where you will board your private canal boat for a tour around the harbor and the charming canals. Evening at leisure. (Breakfast)
