

Itinerary - 7 Days in Milan

Day 1 Tuesday - 10th February

Arrive at Milan Malpensa International Airport, where you'll be met by a member of our tour host team. You'll then be whisked away to our host hotel for the next six nights, the Voco Milan-Fiere. The 4* hotel is on the north side of the city with great public transport links to the heart of this incredible city. After checking in we'll meet to head over to the official hospitality venue in central Milan where you'll enjoy Italian aperitivo inspired bites and beverages before heading into the first of 4 games as Canada's women's team takes on the American women's team in the final group stage game. After the game, we head back to the hotel for a well-earned rest.

Day 2 Wednesday - 11th February

After your included breakfast at the hotel, your day is free to explore Milan. You have a 24-hour hop-on hop-off tour, which takes you around the city to all the major sites. If you prefer, we can add additional hockey or skating events to your trip, which are all located in Milan.

Day 3 Thursday - 12th February

After breakfast, the majority of the day is again free. We'll meet back at the hotel for the short journey over to our hospitality facility, then we head into the arena for the first of our American Men's hockey games, as they take on Latvia. After the game we'll take the bus back to the hotel.

Day 4 Friday - 13th February

A day free of American hockey games, there are more skating events taking place in the city. If you fancy a day out of the city, then why not take a day trip out to the stunning Lake Como - one of the world's most beautiful places (you can pre-book that ahead of your trip).

Day 5 Saturday - 14th February

Following a delicious breakfast, you have more time for sightseeing or taking in a different skating event. Then we meet again at the hotel to head over to the hospitality facility and then into the Arena for the game against Denmark. Once again, after the game, we take our bus back to the hotel.

Day 6 Sunday - 15th February

Your final day, and after breakfast, why not take in one of the many sights, including the Duomo, which is included in your package. Then we'll meet again at the hotel for one last trip over to the Arena for the American men's last group hockey game against Germany.

Day 7 Monday 16th February

After breakfast, your driver will take you back to the airport and your flight home.
