**Sunday 5th April 2026** Arrive at Augusta Airport, where you'll be met by an STT tour host who will escort you to our host hotel for the next three nights. The Hampton Inn & Suites, Washington Road is just minutes from Augusta National and has just finished a multi-million-dollar renovation. After check-in, you're free to explore the local area. The hotel puts on a fabulous manager's reception each night during Masters Week, featuring a full meal and drinks—all included. If you prefer, your tour host can assist with restaurant recommendations.

**Monday 6th April 2026** It's the first day of the 90th Masters Tournament, and you have a ticket for the opening practice round. Monday, Tuesday, and Wednesday are the only days when you're allowed to bring a camera on the course, so take advantage and capture some incredible shots of the famed course. Course transfers begin at 7am and run throughout the day, so you can spend as much time as like on the course. After play concludes, the hotel's managers reception will once again be in full swing, so stop by and see your tour host for a chat about which players look ready to chase the Green Jacket.

**Tuesday 7th April 2026** It's the second practice day, and breakfast is served early so you can head to the course as soon as you'd like. If you didn't pick up any souvenirs yesterday, be sure to do so today before they sell out. We'll see you again at the managers reception.

**Wednesday 8th April** After breakfast, it's time to check out. Our driver will take you back to the airport for your flight home.
